(b) If an earthquake fault zone, seismic hazard zone, very high fire hazard severity zone, or wildland fire area map or accompanying information is not of sufficient accuracy or scale that a reasonable person can determine if the subject real property is included in a natural hazard area, the transferor or transferor's agent shall mark "Yes" on the Natural Hazard Disclosure Statement. The transferor or transferor's agent may mark "No" on the Natural Hazard Disclosure Statement if he or she attaches a report prepared pursuant to subdivision (c) of Section 1103.4 that verifies the property is not in the hazard zone. Nothing in this subdivision is intended to limit or abridge any existing duty of the transferor or the transferor's agents to exercise reasonable care in making a determination under this subdivision.

(c) If the Federal Emergency Management Agency has issued a Letter of Map Revision confirming that a property is no longer within a special flood hazard area, then the transferor or transferor's agent may mark "No" on the Natural Hazard Disclosure Statement, even if the map has not yet been updated. The transferor or transferor's agent shall attach a copy of the Letter of Map Revision to the disclosure statement.

(d) If the Federal Emergency Management Agency has issued a Letter of Map Revision confirming that a property is within a special flood hazard area and the location of the letter has been posted pursuant

to subdivision (g) of Section 8589.3 of the Government Code, then the transferor or transferor's agent shall mark "Yes" on the Natural Hazard Disclosure Statement, even if the map has not yet been updated. The transferor or transferor's agent shall attach a copy of the Letter of Map Revision to the disclosure statement.

(e) The disclosure required pursuant to this article may be provided by the transferor and the transferor's agent in the Local Option Real Estate Disclosure Statement described in Section 1102.6a, provided that the Local Option Real Estate Disclosure Statement includes substantially the same information and substantially the same warnings that are required by this section.

(f) (1) The legal effect of a consultant's report delivered to satisfy the exemption provided by Section 1103.4 is not changed when it is accompanied by a Natural Hazard Disclosure Statement.

(2) A consultant's report shall always be accompanied by a completed and signed Natural Hazard Disclosure Statement.

(3) In a disclosure statement required by this section, an agent and third-party provider may cause his or her name to be preprinted in lieu of an original signature in the portions of the form reserved for signatures. The use of a preprinted name shall not change the legal effect of the acknowledgment.

(g) The disclosure required by this article is only a disclosure between the transferor, the transferor's agents, and the transferee, and shall not be used by any other party, including, but not limited to, insurance companies, lenders, or governmental agencies, for any purpose.

(h) In any transaction in which a transferor has accepted, prior to June 1, 1998, an offer to purchase, the transferor, or his or her agent, shall be deemed to have complied with the requirement of subdivision (a) if the transferor or agent delivers to the prospective transferee a statement that includes substantially the same information and warning as the Natural Hazard Disclosure Statement.

1103.3. (a) The transferor of any real property subject to this article shall deliver to the prospective transferee the written statement required by this article, as follows:

(1) In the case of a sale, as soon as practicable before transfer of title.

(2) In the case of transfer by a real property sales contract, as defined in Section 2985, or by a lease together with an option to purchase, or a ground lease coupled with improvements, as soon as practicable before execution of the contract. For the purpose of this subdivision, "execution" means the making or acceptance of an offer.

(b) The transferor shall indicate compliance with this article either on the receipt for deposit, the real property sales contract, the lease, any addendum attached thereto, or on a separate document.

(c) If any disclosure, or any material amendment of any disclosure, required to be made pursuant to this article is delivered after the execution of an offer to purchase, the transferee shall have three days after delivery in person or five days after delivery by deposit in the mail to terminate his or her offer by delivery of a written notice of termination to the transferor or the transferor's agent.

1103.4. (a) Neither the transferor nor any listing or selling agent shall be liable for any error, inaccuracy, or omission of any information delivered pursuant to this article if the error, inaccuracy, or omission was not within the personal knowledge of the transferor or the listing or selling agent, and was based on information timely provided by public agencies or by other persons providing information as specified in subdivision (c) that is required to be disclosed pursuant to this article, and ordinary care was exercised in obtaining and transmitting the information.

(b) The delivery of any information required to be disclosed by this article to a prospective transferee by a public agency or other person providing information required to be disclosed pursuant to this article shall be deemed to comply with the requirements of this article and shall relieve the transferor or any listing or selling agent of any further duty under this article with respect to that item of information.

(c) The delivery of a report or opinion prepared by a licensed engineer, land surveyor, geologist, or expert in natural hazard discovery dealing with matters within the scope of the professional's license or expertise, shall be sufficient compliance for application of the exemption provided by subdivision (a) if the information is provided to the prospective transferee pursuant to a request therefor, whether written or oral. In responding to that request, an expert may indicate, in writing, an understanding that the information provided will be used in fulfilling the requirements of Section 1103.2 and, if so, shall indicate the required disclosures, or parts thereof, to which the information being furnished is applicable. Where that statement is furnished, the expert shall not be responsible for any items of information, or parts thereof, other than those expressly set forth in the statement.

(1) In responding to the request, the expert shall determine whether the property is within an airport influence area as defined in subdivision (b) of Section 11010 of the Business and Professions Code. If the property is within an airport influence area, the report shall contain the following statement:

NOTICE OF AIRPORT IN VICINITY

This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.

(2) In responding to the request, the expert shall determine whether the property is within the jurisdiction of the San Francisco Bay Conservation and Development Commission, as defined in Section 66620 of the Government Code. If the property is within the

commission's jurisdiction, the report shall contain the following notice:

NOTICE OF SAN FRANCISCO BAY CONSERVATION AND DEVELOPMENT
COMMISSION JURISDICTION

This property is located within the jurisdiction of the San Francisco Bay Conservation and Development Commission. Use and development of property within the commission's jurisdiction may be subject to special regulations, restrictions, and permit requirements. You may wish to investigate and determine whether they are acceptable to you and your intended use of the property before you complete your transaction.

1103.5. (a) After a transferor and his or her agent comply with Section 1103.2, they shall be relieved of further duty under this article with respect to those items of information. The transferor and his or her agent shall not be required to provide notice to the transferee if the information provided subsequently becomes inaccurate as a result of any governmental action, map revision, changed information, or other act or occurrence, unless the transferor or agent has actual knowledge that the information has become inaccurate.

(b) If information disclosed in accordance with this article is subsequently rendered inaccurate as a result of any governmental action, map revision, changed information, or other act or occurrence subsequent to the delivery of the required disclosures, the inaccuracy resulting therefrom does not constitute a violation of this article.

1103.7. Each disclosure required by this article and each act that may be performed in making the disclosure shall be made in good faith. For purposes of this article, "good faith" means honesty in fact in the conduct of the transaction.

1103.8. (a) The specification of items for disclosure in this article does not limit or abridge any obligation for disclosure created by any other provision of law or that may exist in order to avoid fraud, misrepresentation, or deceit in the transfer transaction. The legislature does not intend to affect the existing obligations of the parties to a real estate contract, or their agents, to disclose any fact materially affecting the value and desirability of the property, including, but not limited to, the physical condition of the property and previously received reports of physical inspection noted on the disclosure form provided pursuant to Section 1102.6 or 1102.6a.

(b) Nothing in this article shall be construed to change the duty of a real estate broker or salesperson pursuant to Section 2079.

1103.9. Any disclosure made pursuant to this article may be amended in writing by the transferor or his or her agent, but the amendment shall be subject to Section 1103.3.

1103.10. Delivery of disclosures required by this article shall be by personal delivery to the transferee or by mail to the prospective transferee. For the purposes of this article, delivery to the spouse of a transferee shall be deemed delivery to the transferee, unless provided otherwise by contract.

1103.11. Any person or entity, other than a real estate licensee licensed pursuant to Part 1 (commencing with Section 10000) of Division 4 of the Business and Professions Code, acting in the capacity of an escrow agent for the transfer of real property subject to this article shall not be deemed the agent of the transferor or transferee for purposes of the disclosure requirements of this article, unless the person or entity is empowered to so act by an express written agreement to that effect. The extent of that agency shall be governed by the written agreement.

1103.12. (a) If more than one licensed real estate broker is acting as an agent in a transaction subject to this article, the broker who has obtained the offer made by the transferee shall, except as otherwise provided in this article, deliver the disclosure required by this article to the transferee, unless the transferor has given other written instructions for delivery.

(b) If a licensed real estate broker responsible for delivering the disclosures under this section cannot obtain the disclosure document required and does not have written assurance from the transferee that the disclosure has been received, the broker shall advise the transferee in writing of his or her rights to the disclosure. A licensed real estate broker responsible for delivering disclosures under this section shall maintain a record of the action taken to effect compliance in accordance with Section 10148 of the Business and Professions Code.

1103.13. No transfer subject to this article shall be invalidated solely because of the failure of any person to comply with any provision of this article. However, any person who willfully or negligently violates or fails to perform any duty prescribed by any provision of this article shall be liable in the amount of actual damages suffered by a transferee.

1103.14. (a) As used in this article, "listing agent" means listing agent as defined in subdivision (f) of Section 1086.

(b) As used in this article, "selling agent" means selling agent as defined in subdivision (g) of Section 1086, exclusive of the requirement that the agent be a participant in a multiple listing

service as defined in Section 1087.
